

Free Social Support Zoom Call

People Living With or Affected by HIV/AIDS

With an emphasis on *living* during COVID-19

Come join this new conversation for people living with or affected by HIV/AIDS.

-  Has **physical distancing** during COVID-19 been **challenging** for you?
-  Would you like to talk with others and **learn new ways of coping**?
-  Could you **benefit from more socializing** without leaving your home?

[Yes, I'm interested!](#)

These weekly sessions are offered on a drop-in basis. Starts Friday, July 10, at 10 am. Call or text Paul at 503-577-5750 for more information and Zoom login.

Facilitator: Paul Iarrobino, founding director of Our Bold Voices, has many years of experience facilitating groups and is excited to offer these discussions as a path toward well-being.

Partnering to reduce isolation
