We are committed to the health and safety of all attendees, volunteers, and staff. We are excited to have this live event and also recognize the responsibility that comes along with it. We have created a thorough safety plan that focuses on risk mitigation, guided by the most recent information provided by the Oregon Health Authority and Multnomah County Health Department. We request that those who are not fully vaccinated continue following Covid safety precautions, including wearing a mask and maintaining social distancing. Those that are fully vaccinated are free to choose whatever is comfortable for them.
